Why you should attend

It's important you attend the hearing to present your evidence and have your say. You may be able to come to an agreement with the other party. For example, if you are facing eviction, you may be able to work out a payment plan with the landlord and stay in your rental property. If you don't attend, a decision can be made in your absence.

Send your documents

You must email all evidence that you want to use in your hearing to the other party and VCAT **at least 7 days** before your hearing.
